General Notes

1. Bridge Painting quantities are shown for information only and shall be field verified by the contractor.
2. The painting of the bridges shall take place at the same time as the US-50 roadway work kinned with this project (Des. No. 1400090), painting the structures over the US-50 eastbound lanes and the US-50 westbound lanes respectively, while those lanes are closed to traffic. No additional lane closures shall be put in place to paint the bridges.
