After due examination of said claims all were allowed and ordered paid.

The matter of selling a strip of land belonging to the town of Morocco on which the wells supplying the town with water are located to the State Highway Commission for road purposes was brought before the Board and for which the Commission offered the Board of Trustees of Morocco the sum of \$200.00. After due consideration of the offer it was moved, seconded and carried that it would accept the offer of \$200.00 from the State Highway Commission.

There is a pipe line crossing this strip which supplies the Morocco Slaughter plant, located on the west side of Highway 41 with water, and which is owned by Boyd T. Smart.

No further business coming before the Board, the meeting adjourned.
