HISTORICAL NOTES. The title to all real estate in Marion County, Indiana, is derived from the United States. An epitome of the fee title to these lands, prior to the local records of the county, is as follows: Spain, France and Great Britain asserted sovereignty over the territory, now forming the State of Indiana; Spain, by virtue of the discovery of America, by Columbus, the discoveries by Ponce de Leon, in 1512, and Hernando de Soto between 1538 and 1542; France, by virtue of the explorations of Verrazzani in 1524, Carter and LaSalle; and Great Britain, by virtue of the explorations by the Cabots, in 1497, acquisition from the Indian Confederacy, and actual occupancy. Despite the claims based on priority of discovery, exploration and occupancy, the title vested in the nation strongest in military power. By the terms of the Treaty of Paris, February 18, 1763, between said countries, Great Britain was ceded all lands in the State of Indiana. The title of Great Britain to said territory passed to the United States by the Treaty of September 3, 1783, ratified by Congress, January 14, 1784. Virginia, Connecticut, New York and Massachusetts were claimants of the vacant lands north and west of the River Ohio. Whatever rights existed were compromised, and deeds of cession were made to the United States. The conveyance by Virginia, the only state recognized to have a valid claim on lands in Marion County, was accepted by Congress March 1, 1784.

(OVER)

INDIAN CLAIMS. The original possessory title to said lands was held by the Indians. The *Warren*, *Delaware*, *Miami*, and *Kickapoo* were the only tribes recognized as having substantial rights, and their claims were extinguished by *Executive Order* dated October 2, 1818, and July 30, 1819.—7 U. S. Statutes at Large, pp. 186, 188, 189, and 200.

TERRITORIAL GOVERNMENT. The maintenance of a government of the Territory of the United States Northwest of the River Ohio, was provided for by a series of Resolutions of April 23, 1784. By authority of an Ordinance of Congress, July 13, 1787, Indiana Territory was organized May 7, 1800.

STATE GOVERNMENT. A Memorial praying for authority to form a State Government, was adopted by the Legislature of said Territory, December 14, 1815, and laid before Congress, December 28, 1816. An Enabling Act was approved by Congress, April 19, 1816. 3 U. S. Statutes at Large, p. 289. Elections were held May 13, 1816, for delegates to the Constitutional Convention. The convention met June 10, and on June 29, 1816, approved the Constitution. R. S. 1824, p. 32. The State Government superseded Territorial Government, November 7, 1816, and Indiana was formally admitted into the Union by a Joint Resolution of Congress, approved December 11, 1816. 3 U. S. Statutes at Large, p. 399.

ORGANIZATION OF COUNTY. Marion County lands were included within the boundaries of Delaware County, or granted January 20, 1820, Acts 1820, p. 95. Marion County was organized December 31, 1821, Acts 1821-2, p. 135. The boundary lines of Marion County were corrected and established January 7, 1824, Acts 1824, p. 62.

CITY OF INDIANAPOLIS. By act of Congress, approved April 19, 1816, heretofore mentioned, four sections of land were granted to the State, "for the purpose of fixing their seat of Government thereon," which grant was accepted by the Territorial Convention by Ordinance of June 28, 1816. R. S. 1824, p. 33. By act of Congress, approved March 3, 1819, it was provided that instead of 4 sections, "any contiguous quarter sections, tractions, or parts of sections, not more than the whole the quantity contained in 4 entire sections," were to be selected under the direction of the Legislature, 3 U. S. Statutes at Large, p. 516. By act approved January 11, 1820, Commissioners were appointed by the General Assembly to select and locate a seat for the permanent seat of Government of the State of Indiana. Acts 1819, p. 18. Commissioners reported June 7, 1820, selection of sections 1 and 12 east and west fractional sections, numbered 2, east fractional section numbered 11, and so much of the east part of west fractional section numbered 3, to be set off by a North and South line as will complete 4 entire sections, or 2,660 acres in Township 16 North, Range 2 East of the Second Principal Meridian. House Journal 1820-1821, p. 25. According to the returns of the United States Surveyors, section 1 contains 658.20, section 2, 611.63, section 11, 640 acres, and section 12, on the east side of White River, 448.20 acres, leaving 202.07 acres to be taken out of section 3. The act approved January 6, 1821, approved the selection of the above described land, provided for the appointment of three Commissioners, to lay out a town on such part of the land selected, as they deemed most proper, provided for the sale of lots, the appointment of agents and authorized the execution of certificates and deeds by said agents. Said act further provided, "That said town shall be called, and known by the name of Indianapolis." Acts 1820, p. 44. The original survey of the town, as made in the year 1821, included within North, South, East and West streets, embracing squares 1 to 101 inc., which were all divided into lots. By act approved November 28, 1821, the acts and proceedings of the commissioners were legalized. Acts 1821-2, p. 18. By act approved January 3, 1822, it was provided that the agent lay off in lots from 5 to 20 acres, the fraction of land lying west of the west fork of White River, opposite Indianapolis, and which is within the Donation. Said agent was authorized to sell any part of the unappropriated Donation, not exceeding 2 acres, to any person or persons, for the purpose of making bricks for the improvement of the town. Acts 1821-2, p. 129. A square tract of 2 acres was platted and sold as a brick yard and designated "H" on the map. By act, approved January 20, 1824, Indianapolis was adopted and established as the permanent seat of Government, upon, from, and after the 2nd Monday in January, 1825. Acts 1824, p. 10. The act, approved January 31, 1824, authorized the agent to lay out on the North and South sides of the town plat, 20 outside of the same size as the squares in said town plat, and to offer said outside for sale. Acts 1824, p. 88. By the act, approved February 12, 1825, the agent was required to lay off one more tier of outside on the North and South sides of the said town, of the same size and dimensions of the 20 outside provided for in the foregoing Act. Acts 1825, p. 3. An act, approved January 26, 1827, authorized the agent to sell a quantity of ground not exceeding 7 acres, on White River and adjoining thereto, either above, or below the ferry, to be by said agent laid off and surveyed, in such form and manner as in his opinion will best answer the purpose designed; which piece of land shall be sold for the purpose of affording a site for the erection of a steam mill, etc. Acts 1827, p. 3. This tract is designated "Steam Mill" on the map. By an act, approved January 26, 1827, all the alleys passing through squares 1 to 20 inc., 80, 81, 82, and 90 to 101 inc., were vacated and the agent was granted authority to divide squares 80, 84 and 85. Acts 1827, p. 5. Within the surveys, including that necessitated by the Act of 1827, the streets are 30 feet wide, except Washington, which is 120 feet, and Circle, which is 80. The alleys are 30 and 15 feet wide, each of the regular squares are 420 feet, including the alleys, and contain 4-100 acres. The lots in the regular squares are 67 feet 6 inches in front, and 150 feet in depth where they abut on 20-foot alleys; where they abut on 15-foot alleys, they are 65 feet in front and 202 feet in depth. By act, approved February 9, 1831, the Agent was required to cause the lands around the Town of Indianapolis, belonging to the State, to be accurately surveyed and divided into lots, according to the plan designated on the plat presented by the said Agent, and cause the corners and boundaries thereof to be distinctly marked and numbered. Acts 1830-1, p. 82. A "Map of Indianapolis and its Environs" as originally drawn by B. F. Morris, surveyor, was filed by B. Sharpe, Agent, July 5, 1831, in the Recorder's office of Marion County. A verified copy of the same is now of record in said office.

In the Survey of the Remaining part of the Donation, authorized by the law of 1831, the lines of the original survey of the town are assumed as having been run according to the true Meridian, and the lines on the east side of White River are run with the same bearing upon the assumption the variation of the needle indicated at this time, by the instrument used is 3 degrees, 25 minutes, east. The lines on the west side of the River are run at a variation of 5 degrees, 30 minutes, as corresponding more exactly with the congressional surveys. Washington street is continued west to the River and east with the National Road, to the Boundary of the Donation, 120 feet wide. The National Road, after leaving Washington street, is 100 feet wide. The Michigan Road is 100 feet. The continuation of Kentucky, Massachusetts, Virginia, New Jersey, north, and Delaware, Pennsylvania, Maryland and Illinois streets, south, are respectively 80 feet wide; the Fort Wayne, Madison and Buff Roads are generally 80 feet wide. The continuation of Market and New York streets, east, North street, west, and the Lafayette Road are severally 60 feet wide. Water street is 99 feet wide, between the River and lots 135, 136, 139, and the South end of 145; at the North end of 145 it is 118 feet wide. Out Lot Nos. 112, 113, 114, 118, 119 & 120 in the City of Indianapolis.

(Also other real estate)

That your petitioner as the widow of said decedent is the owner of one third undivided of said premises in fee simple and the said children before named are as heirs of the deceased, are the joint owners of the remaining two thirds undivided.

Your Petitioner therefore asks that the said Susanna McCarty, Margaret R. McCarty, Nicholas J. McCarty and Frances J. McCarty, may be made defendants hereto and that the one third part of said premises may be assigned and set off in severalty to your petitioner and Commissioners appointed to make such partition.

June 23, 1854. Summons issued and returned showing that Susanna McCarty, Margaret R. McCarty, Nicholas McCarty, Jr., and Frances J. McCarty, were served by reading on June 23, 1854.

July 21, 1854. Lucian Barbour appointed Guardian ad litem for infant defendants, Nicholas McCarty, Jr., and Frances J. McCarty and filed answer in general denial on their behalf.

That the taxes due upon the said real estate accrued at decedent's death amount to \$387.63. That the said decedent died testate leaving no widow surviving him. SYNOPSIS OF THE ZONING AND PLANNING REGULATIONS
OF THE CITY OF INDIANAPOLIS

-64-

The original comprehensive Zoning Ordinance adopted for the City of Indianapolis, being General Ordinance No. 114, 1922, as amended, was repealed and reordained, as changed by General Ordinance No. 104, 1950, except Section 22, as amended being the establishment of the City Plan Commission, and except the District Zone Map, as amended, which were adopted, continued and are now in full force and effect.

The purpose of the "Municipal Code of Indianapolis 1951" is to restate and codify, General Ordinance No. 104, 1950, as amended, and now in effect, so as to conform such zoning ordinances to become a part of said code. Said code contains the zoning and planning regulations of the City of Indianapolis, in order to regulate and restrict the height, area, bulk and use of all buildings, to regulate and determine the area of yards, courts, and other open spaces, to specify and regulate the location of industries, commercial enterprises and the location and character of buildings designed for special uses, to establish building lines and for all such purposes to divide the City of Indianapolis, into the following districts:

Six classes of Use Districts termed respectively Class U-1, or Dwelling House Districts; Class U-2, or Apartment House Districts; Class U-3, or Business Districts; Class U-3 (S), or General Commercial Districts; Class U-4, or First Industrial Districts; and Class U-5 or Second Industrial Districts.

Four classes of Height Districts, H-1, 50 foot Height limit; H-2, 80 foot Height limit; H-3, 108 foot Height limit, and H-4, 180 foot Height limit.

Modifications of said height restrictions are provided, depending upon position of building on lot, generally allowing 2 feet additional height in Classes H1 and H2 and 3 feet in H3 and H4 for each 1 foot the higher portion is set back from required yard lines.

Seven classes of Area Districts, Class AA, 15,000 square feet per family; Class A-1, 7,500 square feet per family; Class A-2, 4,800 square feet per family; Class A-3, 2,400 square feet per family; Class A-3, (corner lot) 2000 square feet per family; Class A-4, 1200 square feet per family; Class A-4, (corner lot) 1000 square feet per family; Class A-5, 600 square feet per family; Class A-5 (corner lot) 500 square feet per family; Class A-6, 300 square feet per family.

Provided, that in Class AA, A1 and A2 districts one single family dwelling, and in Class A3 district one dwelling for two families may be erected on any lot that was separately owned as of December 20, 1922, or on any numbered lot in a recorded plat or replat that is on record in the office of the County Recorder.

Regulations are construed to determine number of families permitted to occupy residential buildings in area district. No building shall be erected or used for dwelling on lot having area of less than 4800 square feet, unless such lot was separately owned or was a numbered lot of full original size on recorded plat prior to effective date of General Ordinance No. 4-1954.

Computation of Lot Areas.

In computing such area of the lot for the purpose of this section any part of the area of any corner lot in excess of 15,000 square feet, shall be considered an interior lot. In computing the area of a lot for the purpose of this section, if the depth of the lot is more than three times the width of such lot, a depth of only three times such width shall be used.

In computing the area of the lot for the purpose of this section the lot shall be deemed to extend to the center line of any alley adjoining the rear line of such lot, but such center line shall not be deemed to be a lot line.

Restrictions on Reduction of Lot Areas.

The lot or yard area required by this chapter for a particular building shall not be diminished and shall not be included as part of the required lot or yard area of any other building.

Restrictions of Floor Areas in Dwelling Houses. (General Ordinance No. 113, 1952)

No dwelling house may be erected, altered or used in which the ground floor area, exclusive of attached garage and open porches, for each family living in such dwelling house, is less than as specified.

In Class AA district 1500 square feet;

In Class A1 district 1200 square feet;

In Class A2 district 900 square feet;

In Class A-3, A4, A5, or A6 district 720 square feet.

Building line and Yard Restrictions in U1 and U2 districts.

Where front yard lines are established by recorded plat, such lines shall apply as minimum requirements, or lines may be established by average distance of existing houses.

Where no such lines are established, from set-back line shall be equal to $\frac{1}{3}$ of the average depth of the lot up to 50 feet, with minimum of 20 feet.

At least 20 per cent of average width of lot shall be devoted to side yards, up to total of 16 feet, minimum side yard 4 feet.

In case of apartment house, or in case of any building more than 2 $\frac{1}{2}$ stories high, such least dimension shall be not less than $\frac{1}{6}$ of height of building.

At least 15 per cent of average depth of lot shall be devoted to rear yard, up to 30 feet, (computed to center of alley.) For building other than dwelling house, least dimension of rear yard shall be not less than $\frac{1}{2}$ of height of building. Accessory building not more than 15 feet high may occupy up to 40 per cent of rear yard area. In case of two or more family dwelling, accessory building shall be at least 25 feet from main building on interior lot or 15 feet on corner lot.

Every building used for dwelling purposes shall have front yard directly abutting on public street, with building lines, yards, and areas conforming to requirements.

Garages. Private garage shall not provide storage space for more than one motor vehicle for each 2000 square feet of lot area in U1 district, or 500 square feet in U2 district.

698793

Non-Conforming Uses.

Building, structure, or land use existing or permitted by the original zoning ordinance, and existing at effective date of later ordinance by not conforming thereto, shall be deemed to be a non-conforming use, which shall be permitted to continue, but which shall not be extended. In case of abandonment or destruction such non-conforming use shall not be renewed.

The City plan commission is hereby constituted and continued, without any lapse, (as so provided by Section 22 of General Ordinance No. 114, 1922, which section was reordained by the same section of General Ordinance No. 104, 1950, herein restated and reordained as amended), as the board of zoning appeals of this city with all powers conferred thereon pursuant to law and by this chapter. Such commission and board, in addition to the continuance of any existing rules and regulations adopted by either thereof, may from time to time amend, change and supplement the same, as needed to administer all statutes and this chapter, or any later ordinances, relating to their respective powers and duties.

The common council may from time to time, on petition, after public notice and hearing, amend, supplement, or change the districts and regulations herein established.

This certificate is a synopsis only of the general provisions. For specific details, reference should be had to the complete text of the ordinance.

The real estate herein abstracted appears in Use District, Class U-3 ; Height District, Class H-1 ; and Area District, Class A-4 ; all so shown by the district zoning map of the City of Indianapolis, and is subject to the restrictions and uses therein provided for real estate in each of said respective districts.
